To help recruit and retain these fathers in your program, visit this resource for more information. Provide incentives of interest to fathers (e.g., gift certificates for landscaping or make the assistance program easy to access (e.g., along a bus or train route). Therefore, it's the first step to keeping fathers in your program.

The Hundred-Year Walk: An Armenian Odyssey - Amazon.com

His fantasy was interrupted by his father's pumping of the cast iron handle, and he knew well enough to snap to attention. In his mind, Bishop determined he would walk a hundred more steps before he rested again. He re-slung the rifle and started counting. On the fourth iteration, he noticed that the landscape was coming.
