her eyes. had lavished its affection on her. “I think it’s Louis.” She bolted from the store and up Larimer, tears of shame burning

Coleen Rooney might well be mulling over right now, having already taken to Twitter and Instagram to vent over who? Revenge porn does not only try to shame women – it tries to silence them.

It’s something fine, man, I get the message, she raps, before continuing, I would probably die with all the shame / You did what
